Test Cases

1. Signup Test Cases

Test Case ID	Scenario	Input	Expected Output	Status
TC_SIGN_01	All fields empty	name: "", email: "", password: "", confirmPassword: ""	Show: "All fields are required"	Pass
TC_SIGN_02	Passwords do not match	password: "123", confirmPassword: "321"	Show: "Passwords do not match"	Pass
TC_SIGN_03	Valid data	name: "Moaz", email: " moaz@gmail.com ", password: "123456", confirmPassword: "123456"	User created and redirected to login	Pass

2. Login Test Cases

Test Case ID	Scenario	Input	Expected Output	Status
TC_LOG_01	Empty fields	email: "", password: ""	Show: "field is required"	Pass
TC_LOG_02	Invalid credentials	email: " abc@test.com ", password: "wrong"	Show: "Invalid credentials"	Pass
TC_LOG_03	Valid login	email: " moaz@gmail.com ", password: "123456"	Redirect to home	Pass

3. Add Task Test Cases

Test Case ID	Scenario	Input	Expected Output	Status
TC_ADD_01	Empty required fields	title: "", category: "", deadline: "" remainder:""	Show: " Task title is required"	Pass
TC_ADD_02	Valid task added	title: "Assignment", Description: " Assignment" , category: "Learning", deadline: "08/07/2025" 03:02PM reminder: "07/07/2025" 01:02PM	Task created and added to task list	Pass

4. Update Task Test Cases

Test Case ID	Scenario	Input	Expected Output	Status
TC_UPD_01	Valid update	Change title to "Updated Task"	Task updates successfully in list	Pass
TC_UPD_02	Clear required fields	Remove title and category	Show: "Title and category cannot be empty"	Pass

5. Reminder Test Cases

Test Case ID	Scenario	Input	Expected Output	Status
TC_REM_01	Reminder after deadline	reminder: "12/07", deadline: "10/07"	Reminder cannot be set after the deadline	Pass
TC_REM_02	Time not selected	Date selected but no time	Show: "Please select reminder time"	Pass

6. Category Filter Test Cases

Test Case ID	Scenario	Input	Expected Output	Status
TC_CAT_01	Select "All"	All selected	All tasks shown	Pass
TC_CAT_02	Select "Work"	Filter by category = Work	Only Work category tasks shown	Pass
TC_CAT_03	Select "Learning"	Filter by Learning	Only Learning tasks shown	Pass

7. Deadline Filter Test Cases

Test Case ID	Scenario	Input	Expected Output	Status
TC_DLINE_01	Select "All"	Filter = All	Show all tasks	Pass
TC_DLINE_02	Select "Overdue"	Filter = Overdue	Show tasks with past deadline	Pass
TC_DLINE_03	Select "Due Today"	Filter = Today	Show tasks with today's date	Pass

Test Case ID	Scenario	Input	Expected Output	Status
TC_DLINE_04	Select "Due Soon"	Filter = Within 3 days	Show upcoming urgent tasks	Pass
TC_DLINE_05	Select "Upcoming"	Filter = Beyond 3+ days	Show future tasks only	Pass
